|---|--|
| Group Size: | Ideally non- residential groups should be no more than 35 to allow maximum benefit. |
| Behaviour: | All our sites are home to a wide variety of wildlife. Please Note that teachers and leaders are responsible for the behaviour of their group at all times. |
| Risk assessment & First Aid: | We advise that teachers/ leaders contact us to arrange a visit to assess the centre prior to their visit. Visiting groups are responsible for their own first aid and health and safety. |
| Facilities: | All sites have the following: - <ul style="list-style-type: none"> • A classroom area • An area to eat break and lunch • Toilets (inc. disabled toilets) • Space for outdoor supervised play • A large car park |
