Leaves

Simple or Compound?

This is a simple leaf

This is a compound leaf

On your woodland walk use the table on the right to note down two sets of leaves– SIMPLE and COMPOUND.

Simple	Compound

Deciduous	Evergreen

DECIDUOUS trees lose their leaves each autumn.
EVERGREEN trees do not lose their leaves in autumn.

Using some of the books provided can you sort out in the table to the left which are **DECIDUOUS** and which are **EVERGREEN**?
 Sweet Chestnut/ Oak/ Ash/ Poplar/ Scots Pine/ Cedar of Lebanon/ Noble Fir/ Silver Birch/ Beech/ Horse Chestnut/ Douglas Fir/ Holly/ Larch/ Norway Spruce/ Willow/ Hazel/ Mountain Ash/ Lawsons Cypress/ Hornbeam/ Plane/ Sycamore/ Elm/ Alder/ Elder/ Sitka Spruce/ Juniper
